Tony Dolan.1500.....	5.22.2.
Anton Russell..100.....	12.5
Cameron McLeod.100.....	12.7
Lewis Wood u 15 shot.....	6mtrs20cms
Peter Bowman 800.....	2.05
Iain Robertson 800.....	2.05.8

The conditions were cold and blustery and not suitable for times. In the 800 Peter took it on from the gun and was only overtaken at the bell. The first 2 in the race pulled slightly away (2.01.9 and 2.04.4). Iain then passed Peter along the back straight and opened up a gap. However Peter finished strongly and they finished 3rd and 4th. The times could have been better, however it was good to see 2 Clydesdale vests competing at the head of Race 1 with Hugh Stevenson having to commentate on Clydesdale runners.

As for Tony he was 14 secs below his best and is still suffering from sore hamstrings.
